**RESPONSE TO OFFICE ACTION MAILED MARCH 1, 2005**

Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Sir:

Claim 1 is pending in the application. In the Office Action mailed March 1, 2005, the Examiner rejected claim 1 under the judicially created doctrine of obviousness-type double patenting as unpatenable over claim 1 of U.S. Patent 6,830,578 in view of Sauer (USP 6,685,630) and Kortenbach (USP 5,624,459).

A terminal disclaimer is being filed concurrently with this response to overcome the Examiner's obviousness-type double patenting rejection.

The application is in a condition for allowance, and early allowance is solicited.

Respectfully submitted,

A handwritten signature in black ink, appearing to read "C. E. Eriksen", written over a horizontal line.
